WHOLE NO. 550.

Every Citizen Group To Intensify Popular Will For Disarmament

Steel Bosses Herd Aliens For Prosperity Days

CITIZENS TO RALLY UNDER LEADERSHIP OF LABOR

Reports Received at A. F. of L. Headquarters Indicate Great National Conviction That Nations Must Find Way To World Peace.

To assist various communities in arranging their demonstrations, a number of A. F. of L. organizers have been asked to be helpful in working with local committees.

That the demonstrations will be truly expressive of the convictions of the entire citizenship is clearly apparent from the reports being received by every mail at A. F. of L. headquarters. "Every day brings

**GARYISM IS INDUSTRY'S FOE;
PRISON WILL STOP GOUGERS**

Syracuse, N. Y., Oct. 15.—Because of its warfare against organized

The only way the government can break the grip of gouging monopolies is by putting 500 or 1,000 prominent business men behind prison bars.

The above are some of the views expressed by Samuel Untermyer, New York lawyer, in an address before the New York state association of the laborers, at New York, last night.

The speaker referred to his experience as counsel for the Lockwood committee, created by the state legislature to investigate the housing problem.

MS. He said the mining situation is growing worse instead of better, and that the only remedy to break monopoly is full nationalization.

Declaring himself bitterly opposed to the anti-union shop, he said, "the greatest enemy of our industry is the anti-union shop."

industrial life was a peace based upon a friendly understanding between capital and labor is, in my opinion, the United States steel corporation, which under the pretext of the 'open' shop has for years been concentrating its vast power in the hands of a few individuals, which would see to it that only non-union labor was used in its erection.

Mr. Untermyer spoke of the difficulty experienced in efforts to put the big lawbreakers in jail. "We reached the stage," he said, "where

The report of the interchurch movement must have convinced any fair-minded man, if he had not been convinced by the evidence of labor.

previously been a student of the subject, and had been unacquainted with the second-story hideout used by the company in dealing with labor, that the steel company would sooner or later have to be brought to a severe reckoning by the individual agents whom they were arranged on their place of duty to violating the state law against criminal conspiracies. The speaker declared that the steel labor union was a small force as compared with the increased

...here we can have industrial peace
in this country.
